

“Check in” on the company's "cultural attitude" to the ISG and its work

1. Is NGET responsive to the ISG?
2. Is NGET open and transparent in the sharing of information?
3. Is the information we receive of good quality, is it timely and is it relevant?
4. Do we see Board and SLT commitment to the work and the views of the ISG?
5. Do we receive enough support?
6. Is our independence respected?
